The Friendly Bus is a weekly shoppers' bus service that picks up from sheltered housing complexes across the city. You can use it if you have difficulty using the ordinary bus services. The Friendly Bus operates every weekday.

The bus will take you to a nearby supermarket where you will normally be given an hour or so to do your shopping before being taken home again.

The vehicles are designed to carry wheelchairs and the driver will give you additional help if you ask for it. Additional time is given to passengers getting on and off the bus with shopping bags.

The Friendly Bus is a free service.

We will aim to collect you within 10 minutes of the times shown above.
